

Consent for registration at address

Information about the main resident*

**You need to have consent of the main resident if you move to an address where someone already lives. The main resident is usually the person that has signed the rental or purchase agreement. If there is no clear main resident, any person that is 18 years of age or older can sign this form.*

Last name

First name

Date of birth

Telephone number

I am the main resident of this address:

Name of street and house number

Postal code and town

As the main residence I declare:

- The person mentioned below lives at my address or will live there soon.
- I will notify the municipality as soon as possible if his or her living situation changes, and he or she does not notify the municipality him- or herself.
- I allow the person mentioned below to register at my address.

Last name

Date of birth

Place, date

Signature

This authorization is only valid if you also bring a (copy of) a valid identification document of the main resident of the address.

Good to know: every inhabitant of Losser must be registered properly in the Personal Records Database (BRP). The municipality regularly checks whether registrations are valid. If you knowingly allow someone to register at your address and you know that person will not live there, you risk a fine of at most €325,-
